# 1988 CANTERBURY TOWN REPORT

**CANTERBURY, NEW HAMPSHIRE**

Charles Glines
Purchased farm in 1853

## The history of the Glines Farm.

University of New Hampshire
Library

## The history of the Glines Farm.

The Glines family were early settlers of Canterbury. John and William Glines' names appeared on the list of early proprietors of Canterbury. Their relationship is unknown. In John's will he mentions his children and left large portions of land to his offspring. Town histories show John's sons, John and Isreal, as hunters and trappers who moved to northern New Hampshire. It has been said that Johns and Isreals River in Coos County were named from these brothers.

JOHN GLINES, probably born in Dover, married in 1728 in Durham and had nine children. He probably moved to Canterbury between 1732 and 1736.

WILLIAM GLINES, third son of John, was born in Canterbury in 1736. William served in the Revolutionary War, married Elizabeth Blanchard, and had eight children.

JOB GLINES, third son of William was born in Canterbury in 1769. He married Mary Dearborn of Northfield and they had ten children. Of his ten children, many stayed in the Canterbury area living in Boscawen, Northfield, and Canterbury.

CHARLES GLINES, was the youngest son of Job and Mary Dearborn Glines. He was born in 1820 on what is known as the Windfall in Northfield. Northfield was set off from Canterbury in 1780 and was incorporated by its present name because it comprised the north part of the town. The territory had long been called the north fields.

Charles spent the greater part of his life in farming. In the spring of 1853 he purchased the Deacon John A. Chamberlain farm in Canterbury where he spent the remainder of his life and where the family now resides. In October 1853 he married Mary Ann Morse from Canterbury. They had six children, the youngest only living to maturity.

Charles "was gifted with a keen eye for mechanical work and was industrious during his long life to a remarkable degree. He cared nothing for politics or public life, but held the respect of his fellow-townsmen for his honesty and uprightness. He took a keen interest in the town of his birth and was a constant and interested attendant at the Glines reunions on Mount Polly. In politics a Democrat, a member of the Free Baptist Church, an honored citizen, he passed away, October 20, 1902." (as quoted from the Northfield Town History, 1905)

LEROY GLINES, Charles youngest son, was born in 1867, at the Glines Farm in Canterbury. He married Jessie P. Raymond of Boscawen, and had three children, only two living to maturity. Leroy held many positions of trust within the gift of his fellow-townspeople and served in the state legislature in 1917 and Selectman in Canterbury in the 1920's. He was deacon of the Congregational Church, was secretary and treasurer of the Canterbury and Boscawen Telephone Company from its beginning in 1896. He was engaged in the lumber business in addition to farming. Leroy's lumber business was run as businesses were of that period. He purchased woodlots, cut the timber, and maintained the acreage. Electricity came to this area of Canterbury around 1926. The Glines home had electricity installed in 1926, paid for by getting poles and ties out off the farm woodlot. Leroy purchased the B.K. Neil house, adjacent to the farm, along with many acres of woodlands in Canterbury, Boscawen, Northfield, New Hampton, and Meredith.

RAYMOND GLINES, eldest son of Leroy, was born in 1901 at the Glines farm. He married Norma Hassell in 1947 and has three children and five grandchildren. Ray-

## 1988 BRIEF HISTORY

Each Town Report constitutes, in its own way, a history of the Town which in retrospect provides a perspective on issues relating to the administration of Town affairs. The Town Report cover has, in recent years, added to this sense of history as Jim Lilly has compiled photo recollections with narratives of significant items of interest to us all. This year we are adding an expanded narrative which, it is hoped, will become a tradition for inclusion in future Town Reports. Perhaps, future year historians, which I do not presume to be, will take this project on as a legacy to future generations to read and reflect upon.

Perhaps the most controversial issue before the town was the building of "the Round House" in the Center. Opinions were sharp and the controversy was resolved through the convening of a special town meeting in August when a Historic District Commission was authorized.

In May, a memorial was dedicated to honor Canterbury veterans of all wars through the efforts of the Canterbury Veteran's Committee under the leadership of Linwood Rogers and funding from the Canterbury Fund. The memorial took the place of the one which has stood on the Town Green for many years and which was moved across the road to the cemetery.

The Canterbury Store often the nerve center of the Town, was sold to Ron and Ruth Corriveau by Marcia Scarponi after 8 years of ownership.

The Canterbury Players, composed of town residents, presented their fifth production of a Gilbert and Sullivan show. "The Mikado" was produced and directed by Jackie and Bill Mears, respectively.

Sadly, many people of note passed away during 1988. They were:

Lucy Asby — began the Antique Mart at the Canterbury Fairs.

Kenneth Muzzey — one of the founders of the Elkins Library.

Harvey McGranahan — active in community affairs and antique collector.

Lois Johanson — active in community affairs and retired school teacher.

Norman Bickford — Yankee, well known for his antiques and Canterbury stories.

Eldress Gertrude Soule — beloved and respected Canterbury Shaker.

Also, longtime residents of Canterbury; Bill Dunbar, Alice Colby, Muriel McNair, James Tonkin, Mona Sargent, Ruth Wilson, William J. Miller, Sr.

The fire department appointed a new chief, Dale Caswell, who replaced Peter Angwin who moved North.

The 30th Annual Canterbury Fair was held on July 30th with a pie baking contest won by Nola Stokes and a hot air balloon ride won by Doneta Fischer.

The recycling program celebrated its first anniversary in May of 1988.

The Canterbury Women's Club ceased activity in the Spring because of a lack of membership.

Canterbury is no sleeping, rural community. In reviewing the church newsletters covering 1988 one is struck with the many and varied activities that go on, which all contribute to this place we call Canterbury. Without the unsung efforts of so many people, acting in so many positive ways, we would all lose something very special.

Bob Scarponi

## TOWN OFFICERS
### (Elected)

**Selectmen (3 Yrs.)**
John Pratt, Chairman (1989)
Robert Scarponi (1990)
Leroy Glines (1991)

## WARRANT FOR THE ANNUAL TOWN MEETING

### State of New Hampshire

---

The Polls will be open from 10:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Canterbury in the county of Merrimack in said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Town Hall in said Canterbury on Tuesday, the 14th day of March, 1989 at 10:00 o'clock in the forenoon, to act upon the following subjects:

### FIRST SESSION

The first session shall be held at the Town Hall in said Canterbury, on Tuesday, the 14th day of March, 1989 between the hours of 10 A.M. and 7 P.M. to act upon the following:

1. To choose all necessary Town Officers for the year ensuing, by ballot.

### SECOND SESSION

The second session shall be held at the Canterbury Elementary School on Friday the 17th day of March, 1989 at 7:00 o'clock in the evening to act upon the following subjects:

1. To raise such money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.
2. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of the collection of taxes for the current municipal year, and to issue, in the name of and on the credit of the Town, negotiable notes therefore.
3. To see if the Town will vote to authorize the Selectmen

to sell property taken by Tax Collector Deed by public auction or sealed bid or as justice may require after consultation with the Conservation Commission. (RSA 80:42)

4. To see if the Town will authorize the Selectmen to apply for, receive and expend Federal or State grants or funds from private sources provided that a public hearing shall be held by the Selectmen prior to the expenditure of such grants and moneys.

5. To see if the Town will authorize the Selectmen to withdraw $20,000 from the Capital Reserve Fund and to appropriate an additional $45,000 for the purpose of purchasing and installing a Transfer Station at the present landfill site and to further authorize the Selectmen to issue and negotiate bonds or notes over a five year period for said purpose.

6. To see if the Town will authorize the Selectmen to withdraw $30,000 from the Capital Reserve Fund and to appropriate an additional $20,000 for the purpose of closing the existing landfill.

7. To see if the Town will authorize the Selectmen to act as the franchising authority for the franchising and regulation of a cable television system for the Town pursuant to RSA Chapeter 53-C.

8. To see if the Town will vote to raise and appropriate $65,000 for the restoration and renovation of the town hall and further authorize the Selectmen to negotiate bonds or notes for a period of five years.

9. To see if the town will vote to instruct the town's representatives to the General Court to respond to our solid waste crisis by taking all necessary measures to insure that New Hampshire adopt legislation that will permit consumers to return for refund of deposit within New Hampshire all soda, beer, wine cooler and liquor containers and that all unclaimed deposit monies shall be collected by the State and no less than 80% shall be

returned annually to local municipalities for the sole purpose of implementing, expanding and reimbursing community recycling projects. (By Petition)

10. To see whether the town will vote to deposit all revenues collected pursuant to RSA 79-A (the land use change tax) in the conservation fund in accordance with RSA 36-A:5 III as authorized by RSA79-A:25 II.

11. To see if the town will vote to raise and appropriate $20,000 for the purchase of a replacement truck for the Highway Department and to authorize the withdrawal of $7,000 from the highway truck capital reserve fund.

12. To see if the town will vote to authorize the Selectmen to take such action as may be necessary to negotiate an agreement with the State of New Hampshire and the Town of Boscawen and to raise and appropriate a sum not to exceed thirty three thousand four hundred dollars ($33,400) to have the Canterbury-Boscawen Bridge demolished and removed. Estimated cost not to exceed two hundred thousand dollars ($200,000.00) with the funding split for the State/Towns at 2/3 State and 1/3 being shared equally between Canterbury and Boscawen.

13. To see if the town will appropriate $1,000 to the Historic District Commission for the purpose of rezoning the Historic District in the Center of town and the Shaker Historic District.

14. To see if the town will vote to appropriate $3,360. (three thousand three hundred and sixty dollars) for the replacement of 4 (four) sets of protective turn-out gear.

15. To see if the town will vote to appropriate $2,000 (Two thousand dollars) for 700' (seven hundred) feet of fire hoseline.

16. To see if the town will vote to raise and appropriate the sum of $2,000.00 (two thousand) for the improvement of the soccer fields on the Canterbury Elementary School property.

    Recommended by the Recreation Committee.

17. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 14th day of February, 1989

John S. Pratt, Chairman
Robert Scarponi
Leroy Glines
Selectmen of Canterbury

A true copy of the warrant — Attest:

John S. Pratt, Chairman
Robert Scarponi
Leroy Glines
Selectmen of Canterbury

February 14, 1989

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned, by posting up an attested copy of the within warrant at the place of meeting within named and like attested copies at the Canterbury Post Office and the Sam Lake House Town Offices being public places in said Town on the 14th day of February 1989.

John S. Pratt
Robert Scarponi
Leroy Glines

## 1989 BUDGET OF THE TOWN OF CANTERBURY

## MINUTES OF TOWN MEETING
## (Business Portion)

March 11, 1988

The adjourned Town Meeting was opened at 7:00 p.m. on Friday, March 11, 1988, by the Moderator, Oliver Fifield.

The Moderator read the results of the balloting from the first session of Town Meeting which was held on Tuesday, March 8, 1988. There were 380 ballots cast. The change to the Zoning Ordinance which was submitted by petition, was defeated by a ballot vote of 323 No, 30 Yes.

Bob Lockwood made a motion to dispense with the complete reading of the warrant and to read each article as it came up. Duly seconded. Motion passed unanimously.

**Article 1.**

To raise such money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.

Amendments were made to the budget as follows: (Corrections underlined)

| | 1987 Approp. | 1987 Spent | 1988 Approp. | Increase/ Decrease |
|---|---|---|---|---|
| **GENERAL GOVERNMENT** | | | | |
| Town Officers' Salaries ... | 34,050. | 30,311.67 | 43,570. | 2,450. |
| **HIGHWAYS, STREETS, BRIDGES** | | | | |
| Highway Dept. Gen. Exp. | 25,100. | 25,457.17 | 23,400. | (1,700.) |
| **OPERATING TRANSFERS OUT** | | | | |
| Capital Reserve: | | | | |
| Fire Truck ..... | 8,000. | 8,000. | | (8,000.) |
| Police Cruiser ..... | 4,000. | 4,000. | | (4,000.) |
| Budget Totals ..... | 453,116. | 412,010.44 | 500,344. | 47,228. |

**REVENUE TO OFFSET 1988 BUDGET**

| | Est. 1987 | Act. 1987 | Est. 1988 |
|---|---|---|---|
| **OTHER FINANCING SOURCES** | | | |
| Proceeds of Bonds and Long-Term Notes | 130,000.00 | 122,000. | 38,000. |
| Fund Balance | 45,584.00 | 41,106. | 32,041. |
| **Total Revenues and Credits** | 433,700.60 | 483,921. | 357,016. |
| Proposed Budget Total | 553,944.00 | | |
| Less Estimated Income | 357,016.00 | | |
| ESTIMATED AMOUNT TO RAISE BY TAXES IN 1988 IS | 196,928.00 | | |

John Pratt moved to adopt the budget with the above corrections. Ken Stern seconded the motion.

Jim Ashworth questioned the $25,000 appropriation for Road Improvement Projects. John Pratt, Selectman, explained that the Highway Department would be upgrading some of the existing roads in Town to make them more passable.

The motion to accept the budget with the corrected figures and a total appropriation of $500,344 was voted on and passed unanimously.

**Article 2.**

To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of the collection of taxes for the current municipal year, and to issue, in the name of and on the credit of the Town, negotiable notes therefore.

Charles Cook moved the adoption of this article. John Pratt seconded.

Article 2 passed.

**Article 3.**

To see if the Town will vote to authorize the Selectmen to sell property taken by Tax Collector Deed by public auction or sealed bid or as justice may require after consultation with the Conservation Commission. (RSA 80:42)

John Pratt moved the adoption of this article. Duly seconded.

Article 3 passed.

**Article 4.**

To see if the Town will authorize the Selectmen to apply for, receive and expend Federal or State grants or funds from private sources provided that a public hearing shall be held by the Selectmen prior to the expenditure of such grants and moneys.

Bob Lockwood moved the adoption of this article. Duly seconded.

Robert Scarponi, Selectman, explained the procedure for holding a public hearing at the request of Winifred Wingate.

Article 4 was voted on and passed.

**Article 5.**

"Shall we adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the State may acquire a tax lien against land and buildings for unpaid taxes." (By Ballot) (Recommended by the Selectmen)

Cheryl Gordon moved the adoption of this article. Duly seconded.

Robert Upton, Selectman, explained that the passage of this article would eliminate the outside investors from the property tax sale procedures, and it would take the property out of the real estate market.

Jim Ashworth spoke in favor of this article stating that the interest earned on the unpaid taxes would go to the Town and not the investor.

After a ballot vote was taken, Article 5 was passed by 166 Yes, 5 No.

**Article 6.**

To see if the town will vote to raise and appropriate $38,000 to the Conservation Fund as authorized by RSA 36-A:5 and authorize the Selectmen to issue and negotiate bonds or notes for $38,000 over a period of three (3) years at such rate of interest as they deem appropriate, to accept private donations of land, interest in land or money to be deposited into the conservation fund for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N. H. Land Conservation Investment Program (LCIP) RSA 221-A, and to authorize the Selectmen to apply for and accept the State matching funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Said appropriated or donated funds and state matching funds may be expended by majority vote of the Conservation Commission. (By ballot with 2/3 vote required to pass)

Recommended by the Selectmen and the Conservation Commission.

Doug Ruesswick moved the adoption of this article. Peter Hoffman seconded.

Ken Stern as a member of the Conservation Commission spoke to this article stating that we should do something soon to protect some open space in Canterbury.

Harry Kinter on behalf of the Planning Board spoke in favor of the passage of this article.

It was explained that the Town would be working with willing landowners once important protection areas in Canterbury have been identified.

Winifred Wingate supported the article stating that this is probably the best handle we can get on hanging on to what we care about in Canterbury.

The question was moved.

After a ballot vote which required 2/3 to pass, Article 6 was passed by 173 Yes, 3 No.

**Article 7.**

To see if the Town will vote to raise and appropriate the sum of $14,000 for the purchase of a replacement police cruiser.

Recommended by the Selectmen.

John Pratt moved the adoption of this article. Duly seconded.

Article 7 was passed unanimously.

**Article 8.**

To see if the Town will vote to raise and appropriate the sum of $1,600 for the purchase of a portable radio.

Recommended by the Selectmen.

Peter Hoffman moved the adoption of this article. Duly seconded.

John Pratt explained that the portable radio would be purchased by the Police Department since the two police officers in Town have only one radio at the present time.

Article 8 was voted on and passed unanimously.

**Article 9.**

To see if the Town will vote to expand the size of the Board of Library Trustees to a total of seven (7) members. The Board presently has six (6) members and the increase is authorized by RSA 202-A:6 to create an odd number of Trustees.

Peter Hoffman moved the adoption of this article. Duly seconded.

A vote was taken on Article 9 and passed.

**Article 10.**

To transact any other business that may legally come before this meeting.

Harry Kinter, the chairman of the Planning Board, mentioned that the new Plan for Tomorrow would be published within four to six weeks.

Selectman Robert Scarponi expressed appreciation on behalf of the Town to Gordon Jackson for his work on the Town's tax maps. Robert Upton was thanked for standing in for Gordon Jackson as selectman until the town elections were held. Kathy Dickson was also thanked for her years of service in the Selectmen's Office.

Bob Scarponi discussed the town reports that had been produced in previous years depicting the Town's history or recounting certain events. He asked for the Town's support to include such pages in future town reports. Bob Lockwood moved that the Town consider including pages as previously mentioned in future town reports. The motion was seconded and passed.

Earl Hall, chairperson of the Canterbury Trustees, mentioned that the monument on the Town Green would be removed and replaced with a memorial of veterans of all wars.

Bob Scarponi told the townspeople that Canterbury had to broaden its tax base through the development of the town's commercially and industrially zoned land.

Geoff Souther commented on the dedication of the Volunteer Fire Department.

The meeting was adjourned at 9:43 p.m.

Respectfully submitted,

Kathryn Dickson

## 1988 COMPARATIVE STATEMENT OF APPROPRIATIONS AND EXPENDITURES

| | 1988 Approp. | 1988 Avail. | 1988 Spent | Over/ Under |

## SELECTMEN'S REPORT

The issue of solid waste disposal is one that communities across the state are facing. During 1989, we expect significant steps to be finally taken which will result in the closing of our current dump and participation in the regional trash to energy plant currently nearing completion in Penacook. Funds to effect this transition are reflected in the proposed budget and account for the bulk of increases.

There are several warrant items proposed. Some deal with solid waste and culminate several years of planning. There are others that are of a somewhat routine nature, such as the purchase of a town truck and fire equipment. But there is one which is proposed in accordance with general guidelines of the "Plan for Tomorrow" and will, if adopted, solve the space problems we are facing in administering town affairs through the several boards which use the Sam Lake House.

The Town Hall is the oldest town owned structure in the community. We recommend approval of the proposed warrant article so that we can initiate some much needed work, including repair of the windows, installation of toilets and construction of a replacement foundation which will lower the building, create new office space for the Planning Board, Board of Adjustment and the Conservation Commission and bring the building back into more active use than is currently the case.

The Sam Lake House would, if the Town Hall article is approved, serve as the Selectman's and Town Clerk/Tax Collector's offices. In addition, we anticipate using Sam Lake Trust Funds to renovate the old fire station garage into more appropriate police offices, weatherproofing the two car garage near the Sam Lake House for Highway Department storage and installing a hot water heater in the Sam Lake building.

As we look forward to 1989, we anticipate a much more aggressive campaign to develop the town industrial land. Active consideration is currently being given by the Industrial Committee to selling the parcel so that private enterprise efforts can be brought to bear in **finally** getting this project underway.

We note again this year the dearth of candidates for town offices and urge you to consider becoming involved.

In closing we would like to express our appreciation to the Town office staff, department heads and employees and other boards and their members for their help and cooperation over the last year.

John Pratt, Chairman
Bob Scarponi
Roy Glines

## TAX COLLECTOR'S REPORT

## REPORT OF THE CEMETERY TRUSTEES

### Canterbury Cemetery Regulations

1. All lot owners shall be governed by the rules of the Cemetery Trustees.

2. The cemetery Trustees shall be responsible for all cemetery affairs — revising rules and rates as conditions change.

3. The Maple Grove and Center Cemeteries shall be kept in such condition as to be a credit to the community. All outlying cemeteries to be mowed annually, or as needed.

4. All lots sold shall include Perpetual Care. Price at this time is $150.00 per grave unit with $100.00 of this amount for perpetual care.

5. Perpetual care shall mean the annual upkeep only. Initial grading, seeding, purchase of stone and stone maintenance shall be the responsibility of the lot owner.

6. A concrete vault or liner is required for all burials.

7. No monument or stone shall be erected until lot purchase is paid in full.

8. Only one upright memorial per two or more grave lots. Single grave markers and corner posts are to be flush with the grade.

9. No curbing, fencing, hedging, or enclosures of any kind shall be allowed around any lot. The Trustees reserve the right to remove same if so erected, planted or placed.

10. No change of grade without the approval of the Trustees.

11. No lot owner shall erect or place or cause to be erected any memorial without prior approval of location from the Trustees.

12. All work done in the cemeteries shall be subject to approval of the Trustees.

13. No breakable containers to be used for plants or flowers.

14. No bicycles, motorcycles, snowmobiles, off highway recreational vehicles or horses shall be permitted in the cemetery.

15. The trustees shall keep all records as required by law.

16. The Trustees shall compile and have printed a list of rules and regulations and make them available to all interested parties.

17. The cemeteries will be closed from the time of the first snow until the spring thaw. No interments will be permitted during this time nor will the roads be plowed.

18. Lots to be sold to resident families only.

19. In case of hardship special consideration will be granted at the request of the Selectmen.

In the past two years there has been some destruction and vandalism in our community cemeteries. Anyone seen causing destruction in the cemeteries should be reported to the proper authorities at once. If we all work together perhaps we can keep our local cemeteries looking as they once did.

Virginia Dudley
Charles M. DuBois
Larry Stickney, Resigned

## REPORT OF THE HISTORICAL SOCIETY — 1988

The Society finds itself at the end of 1988 in great need of community support and involvement. As of this writing, no one has come forward to serve as president of the society, and a tired group of officers is out of strength. Many exciting projects have been begun, and now have had to be set aside for lack of participants. The oral history project, the cultural resource survey, the collections management project — all are awaiting willing volunteers. If you can spare some time to serve in any capacity, please call an officer, and become a part of preserving the history of our town.

Programs this year have again covered a wide variety of subjects. An evening of remembrance about the Canterbury Fire of 1943 was highlighted by a letter giving a vivid description of that awful night from Catherine Dickson, founder and past president of the Society. (Her narrative was transcribed into booklet form by Sewall Smith, and has become a part of the Society's collection). Dudley Laufman concluded the evening with a selection of dances recalling the dances held to raise money to rebuild the Town Center after the great fire.

Another evening featured auctioneer Ron Rosenbleeth, speaking on the history, variety and care of oriental rugs. In May, Alan and Penny Crabtree shared their expertise and love of collecting good, old (and new) books. At September's meeting Matthew Thomas of the New England Historical Research Association spoke on old New England meeting houses; October featured Nola Stokes' discussion of butter molds. And in November a joyous program of music and photography brought the meeting year to a close with Doug Leitch's program on five Shaker villages, "A Light So Shines."

As usual we opened the Houser Museum for visitors on Fair Day, sold Canterbury histories and answered research

questions from far and wide. Frank Tupper and part of the oral history team were able to capture on videotape some of Norman Bickford's Canterbury memories just before his death. It was a full year. So much has been started; so much is yet to do. Please consider lending your support.

Respectfully submitted,

Sarah A. Kinter, President
Patricia Andrews, Vice-President
Jessie Tichko, Secretary
Sewall Smith, Treasurer
Grace Taylor, Chairman of the
Nominating Committee

## ELKINS PUBLIC LIBRARY
## REPORT OF THE TRUSTEES

This year has been a busy one for the Elkins Public Library. We have continued expanding the materials offered to town residents as well as providing programs for adults and children. Highlights included Santa's visit during our annual Christmas open house, the summer reading and crafts programs for children, an informative and enjoyable talk by Bob Colby about growing fruits and berries, and a delightful poetry reading by poet Christianne Balk.

With regret we accepted the resignation of our head librarian, Claudia Leidenger, who has served our library with dedication for ten years. We appreciate the warm and welcoming atmosphere Claudia created and her ability to meet the varied interests of town residents with appropriate reading material.

As our new head librarian we are pleased to have Julie Brillhart, who has served as our assistant librarian for the past seven years. In addition to her experience as a librarian, Julie is taking state-sponsored classes in library science. Sue Holmes is continuing as our assistant librarian, and Carol Landry has joined the staff as well.

Thanks to improvements made over the past several years, no major problems occurred with the library building for the second year. The renovations of the bathroom are nearing completion and have been made to allow the room to be as handicapped accessible as possible. Because the water from our well is not of acceptable quality, a water bubbler has been installed for drinking water.

Landscaping was improved with plants donated by Gold Star Sod Farm and help from the town crew in removing overgrown bushes. Our thanks to all who helped in this project. To meet N.H. State Library standards, we plan to install a sign this coming year with the library's name and hours that can be read from the road.

At the end of last year library trustees MaryAnn Sanborn and Erika Butler completed their service and Doris Hampton will be finishing her term this March. Many thanks to the hard work that all three of these individuals have volunteered for the Elkins Library. We welcome as new trustees David Swenson and Leslie Keeler.

We invite all town residents to come visit Elkins Library and wish to thank the town for its continued support.

Respectfully submitted,

Barbara Cook, Chairman

## LIBRARIAN'S REPORT

Total Circulation 6,639 books

| | |
|---|---|
| Adult Fiction Circulated | 2,253 |
| Adult Non-Fiction Circulated | 673 |
| Youth Fiction Circulated | 2,515 |
| Youth Non-Fiction Circulated | 508 |
| Magazines Circulated | 79 |
| Tapes Circulated | 341 |

Books Purchased in 1988

| | |
|---|---|
| Adult Fiction | 105 |
| Adult Non-Fiction | 56 |
| Youth Fiction | 98 |
| Youth Non-Fiction | 33 |
| Tapes | 57 |

1988 was a very busy year at the Elkins Library. The circulation went from 5,654 at the end of 1987 to 6,639 at the end of 1988. More people are moving into town and using the library.

The inter-library loan service has been very successful. More people are requesting special books. If our library doesn't have the book you are interested in we will do our best to get it for you from another library in the state.

Julie Brillhart, Librarian
Sue Holmes, Assistant Librarian

## 1988 ANNUAL REPORT OF THE POLICE DEPARTMENT

**To the Citizens of Canterbury,**

Once again I will repeat my yearly request that you help your Police Department by reporting any unusual activity that you feel is suspicious to the Police immediately! It really doesn't help us much when someone who has observed something that they feel is suspicious, but does not notify us until a couple of days later. Together with your assistance, we can keep Canterbury a safe place to live and raise a family.

This year, the Police Dept. is requesting funds to partially renovate the old Fire Station into a Police Station. At this time, we do not have a warm place to work, or any secure place to store evidence, that is needed to present at Trials, etc. I believe renovating this building to be the most economical solution to our needs, for the foreseeable future. I ask and hope the residents of Canterbury will support us and their Police Force on this request.

Sincerely,

Harry Heath
Chief of Police

## 1988 REPORT OF THE CANTERBURY VOLUNTEER FIRE DEPARTMENT

The 25 members of the Canterbury Volunteer Fire Department responded to 161 fire and medical emergencies during 1988. This represents a 17% increase over last year.

Canterbury was fortunate in having had no major structure fires during 1988, although there were a number of chimney fires and two minor structure fires which could have developed into major problems. Immediate notification of the fire department by quick-thinking homeowners limited the loss. Since we are an all volunteer department, we must first drop what we're doing, drive to the station, wait for others to arrive and finally respond with the apparatus. The sooner we're notified, the better the odds. After you've accounted for your family members in an emergency, please call 225-3355 immediately.

An intense training schedule has pretty much taken up most of our Monday nights this year. We now have eight First Responders, four Emergency Medical Technicians, five more Certified Firefighters, and three career Firefighters. Between training sessions, meetings, and calls, your Canterbury neighbors have donated an average of ten volunteer hours per Firefighter every week to the Fire Department.

Canterbury lost two veteran firefighters this year. Joe Carbonneau died in the line of duty while helping his neighbors at a rescue call, and Bill Wheeler died recently in his bob house on Lake Winnisquam doing what he loved to do . . . fishing. Together these two firefighters volunteered fifty-five years of continuous service to the Canterbury Volunteer Fire Department.

Respectfully submitted,

Dale K. Caswell, Chief
Canterbury Volunteer Fire Dept.

## REPORT OF THE PLANNING BOARD

In an effort to continue Canterbury's concern for comprehensive planning and reasonable growth management the Planning Board has spent a great deal of time reviewing those items upon which we rely for planning and regulating. The Plan for Tomorrow, the town Master Plan, is complete after a considerable amount of effort by both the volunteers from the community and the Board. Two public hearings for the Master Plan were well attended and those present provided valuable input to the document.

As a result of the revisions in the Plan for Tomorrow the Board recognized the need for review of the three major elements that help planning in Canterbury. The Board had hoped to have reviewed and revised the Town Map, the Zoning Ordinances, and especially Article X of the Zoning Ordinances regarding building permits. Due to the size of this undertaking and additional work items during the year that required special attention we will not have these proposals ready for the March Town Meeting. We intend to present them, to the town, at a Special Town Meeting in the early summer.

During the year the Board also held two special hearings regarding the Historic District, as directed by a special Town Meeting. As a result of the hearings the Planning Board proposed and the town voted at the November election, to establish a Historic District Commission. This Commission was charged with making recommendations to either maintain the current boundries for or to reconfigure the Historic District. The Commission was later established by the Selectmen.

The Planning Board continues to monitor Legislative initiative and proposed changes and is an active participant in the Central N.H. Regional Planning Commission utilizing their resources to assist in our planning initiatives.

Respectfully submitted,

Alan Hodsdon, Chairman

## TOWN OF CANTERBURY
## ZONING BOARD OF ADJUSTMENT
## 1988 REVIEW

| Case Number | Applicant | Appeal | Decision |
|---|---|---|---|
| 1988-1 | Roland Brown | Spec. Exc. Home Occup. | Granted |

| 1988-15 | Dale Patterson | Spec. Exc. Home Occup. | Granted |
| 1988-16 | Fred Sallah | Variance R.R.H. zone | Granted |
| 1988-16a | Sabin Guertin | Request Rehearing | Denied |

| | | | |
|---|---|---|---|
| 1988-17 | John Tolman | Spec. Exc.<br>Home Occup. | Denied |
| 1988-18 | Kent Ruesswick | Spec. Exc.<br>Multi family | Granted |
| 1988-19 | Peter McDonald | Variance Setback | Granted |
| 1988-20 | P. Stevenson | Spec. Exc.<br>R.R.N. zone | Granted |
| 1988-21 | R. Cloutier | Spec. Exc.<br>Apartment | Granted |

This year the Zoning Board reluctantly accepted the resignation of two valuable members, Sabin Guertin and Jeff Brillhart. We would like to recognize them for the years of service they gave to the Town while serving on the Board. We, the members of the Zoning Board, respect and appreciate all that these two men brought to the Board.

## REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission has been actively involved in various projects in 1988. The most major accomplishments to date are the acquisitions of the Merrimack River Beach frontage (see separate page) and the Crane Neck Pond easements.

The Crane Neck Pond acquisition includes two conservation easements and a donation of 3.9 acres to the Town. The easements allow townspeople the right to walk along 1500 feet of pond frontage and prevent tree cutting within 200 feet of shore for most of this length. All this has been possible through the generosity of Don and Lois Booth and John Redden.

A 30 acre parcel of undeveloped land along Abbott Road was acquired by the Town for delinquent taxes. This land will remain as a natural area managed by the Commission for conservation purposes.

We are also working on a 3 acre easement from Mike Couvillion and Penny Webster to allow access along Bryant Brook to a popular waterfall.

Continuing efforts include maintaining Conservation Commission properties, the Planning Board with the new "Plan for Tomorrow", landscaping of the Center, household Hazardous Waste Pickup Day (in the fall) (and possibly another project under the Land Conservation Investment Program.

We continue to sponsor two children for Conservation Camp in June. Please call me by May 15th if you are interested.

Lets not forget that the last two weekends of April are Roadside Trash Pickup Days.

I want to express my thanks to Commission members for all their efforts on these projects, along with Town Officials and citizens that have contributed so generously.

Respectfully submitted,

Robert S. Fife, Chairman
Conservation Commission

## CANTERBURY RECYCLING COMMITTEE REPORT

Recycling of materials at the Recycling Center continues. Glass (green, brown, clear), aluminum cans, and newspapers have been taken by the Town from the Recycling Center and, through the help of the New Hampshire Resource Recovery Association, been sold at market prices.

The selectmen's recycling committee has been promoting recycling for the last two years. The new chairperson of the recycling committee is Melanie Stephens of Hackleboro Road.

Respectfully submitted,

Graham Chynoweth
Canterbury Recycling Committee

## TRUST FOR NEW HAMPSHIRE LANDS PROGRAM

Town to acquire river front land under the Land Conservation Investment Program (LCIP)

At last town meeting it was agreed to participate in the TRUST FOR NEW HAMPSHIRE LANDS program to acquire valuable undeveloped conservation land. The state program has agreed to pay half of the appraised value for acquiring a 65 acre parcel on the Merrimack River in Canterbury. The land is located off Shoestring Road and includes a large sandy beach on the Merrimack River plus two small ponds, wetlands, field and forest.

The present owners, Lois and Don Booth of Shaker Road, have very generously agreed not only to sell the property to the town but to sell it for half of the appraised value. This means the town has no cost in buying the property. Also included in the acquisition is a conservation easement which will prevent development of an adjacent 25 acres.

The selectmen, planning board and conservation commission all agree that this is a rare opportunity to preserve the area in its natural state and allow continued use and enjoyment of this beautiful area. As part of the agreement, the Booths will improve the current access road to town standards at their own expense. The selectmen have agreed to accept future maintenance of the road once the improvements are accepted by the road agent. A small driveway and parking area will be built by the town.

We all understand that this will be a long term commitment of the town including some time, energy, and cost to keep the area beautiful and enjoyable for all but that these burdens are far outweighed by the benefits to be gained by ourselves, our friends and our neighbors for generations to come.

My sincerest thanks for the willful cooperation of everyone who has made this possible and most especially to Don and Lois Booth.

Respectfully,

Ken Stern
for the Conservation Commission

mond attended New Hampton School and New Hampshire College of Agriculture (University of New Hampshire) graduating in 1924.

Mary Glines Fife, wife of Clarence Fife, daughter of Leroy and Jessie Glines, was born in 1903 at the Glines farm in Canterbury. Mary lived all her life in Canterbury and some of her children, grandchildren, and great-grandchildren still live in Canterbury.

Raymond has been a full time farmer on the Glines farm all his life. He took over the farm operation in 1940 from his father. The commercial dairy operation Raymond began in the late 30's was established with Registered Milking Shorthorn cattle, changing to Registered Holsteins in the early 50's. Additional land was purchased by Raymond to the farm's present size of about 200 acres. Along with the farming business, Raymond has always taken an active role in church and community service, including member, deacon, and trustee of the Canterbury Congregational Church; director of a local bank and director of Concord Dairy; supervisor of the checklist and trustee of the trust fund.

Raymond's three children, Leroy (Roy) Arthur, married to Emily Bogle Glines and children Abigail and Stephen; Kathleen Glines Dole, married to Sumner A. Dole, III and daughter Rebecca; and George Raymond, married to Susan Erickson Glines and children Kate and Peter, all live in Canterbury. His children continue the tradition of being active in town affairs with Roy on the Board of Selectmen; Kathleen member of the Conservation Committee; and George on the Budget Committee.

The Glines farm is the last remaining commercial dairy farm in Canterbury with over 150 head of Registered Holsteins along with a small contingent of Registered Milking Shorthorns. The farm employees modern farm methods both in the dairy and forestry operations. George, operating the dairy business, till 140 acres of farmland in town which contributes to the pleasing rural character of Canterbury.

For over 250 years, the Glines family has been in Canterbury appreciating the amenities found here, subscribing to a land stewardship ethic, and strong family values, embodied in the seventh generation.
